**Smooth & Reliable Cart Tipper**

The **D-220S** sweeping action automatically adjusts to varying heights and uneven terrain allowing operators to mount carts or containers securely onto the Tipper lifting hook. Trunnion-mounted cylinder makes for easier mounting.

- Cylinder-powered Tipper delivers all the performance you need, (up to 800 cycles per shift.)
- Thin profile for mounting on side loaders.
- Lifts most Euro Style 2-wheeled Carts and 4-wheeled Containers (up to 290 gal.-1100 liters) - accommodates manual loading as well.
- The D-220S is designed to grab either one or two 2-wheeled Carts at the same time.
- The D-220S sweeping action automatically adjusts to varying heights and uneven terrain allowing operators to mount carts or containers securely onto the Tipper lifting hook.
- Dumps deeper inside the hopper to prevent spillage and dumps higher to reduce the need to cycle the packer blade.
- Cannot be damaged by side loader packer blade.
- Unique Trunnion cover opener system does away with protruding folding arms.
- Trunnion-mounted cylinder makes for easier mounting.
